

Lanham Sales and Positioning Class

It's almost time to uncork the bottle at the Lanham Associates' Partner Appreciation Event, immediately following our Sales and Positioning Class, held just before Directions North America 2011. Save the date, book your flight, and plan to join us as we release the latest vintage of the Lanham Associates solutions, and celebrate you, our partners afterwards.

We invite our valued partners to join us for major new announcements on ADCS Warehousing and EDI, and a review of all of the enhancements on our complete product line. Learning will take place **Tuesday, October 11th** at the Peabody Orlando from 10 a.m.– 5 p.m. Afterwards, a short walk from the hotel, we will enjoy fine wine, good food, a lot of fun, and a chance to mingle in a venue you are sure to enjoy.

This special update is intended for Sales, Presales, Implementers, and Partner Executives. All Lanham partners are welcome!

More details will follow. You can't miss this session!
